

I love school!

Good morning!

Morning~

Because...

Eh-
Is that
so?

I'm
actually
far from
being like
that.

Squeeze

THUMP!

THUMP!

THUMP!
THUMP!

Not
good...

If I start
to get
excited now,
I'll definitely
stand out.

Huh? Was he
looking at me
just then? Was
it just my
imagination?

That's
not
possible,
right?

Ahhh!

But
you
know...

Aren't
you a
loser?

Didn't you
say you
were a
loser?

HEARTBEAT

Heartbeat

Whoa?
You
weren't
listening?

...

Hey,

Eri!

Oh,
sorry!
What
were
you
guys
talking
about?

THUMP!

SQUEEZE

Is it alright if I...

Go over to
your house
again
today?

Ehh-

Yeah,
of course!

Please, I really hope...

For these days to continue on forever...

With her hand gently resting in mine.
